

Wabauskang First Nation

February 2012 Monthly Newsletter

Wabauskang First Nation Chief and Council would like to present a Monthly Newsletter to our Community Members and our off reserve members to keep our people up-to-date on current events and news. The newsletter will be issued out the first of every month. This will require staff to report on any upcoming meetings, Band Meetings or events that will be happening in our community. This will promote staff to report on their programs or the work that they are doing, overall reporting on what successes and goals that we have reached and achieved to date. I would like please inform that all staff and members to forward any news or updates a week before the end of each month, so we can put together our next month's newsletter.

Meegwetch!!!

Right To Play Program

The 'Right to Play' program community mentor Alex Petiquan is currently away at this time, but he has submitted a report and upcoming events for the month of February 2012. Attached is a report and some pictures of Right to Play activities.

Upcoming Events and News

The Youth Council

The kids will be putting on a Dinner for couple's for Valentine's Day.

Native Language

Mr. D. Thompson will be teaching Native Language classes again this year. The classes will be held every Wednesday evenings from 5:00 pm to 7:00 pm. Dinner will be provided.

The Resource Council

The Resource committee will be submitting an update us soon as they have a report done.

Internet Services:

WFN is still working on finding the best service for all people. We will have to start billing internet customers in Wabauskang starting in February, we will send out invoices to the customers with information on where to pay.

Gender: Boy

Doug and Leeanna Riffel a baby boy
Name: Tommy Douglas Preston Riffel
D.O.B: December 22, 2012
Weight: 8lb 6'oz
Gender: Boy

New Horizons Program

New Horizons Program would like to welcome all stories from all community members who may have a picture, video or story to tell about the past, present, and of the future of Wabauskang First Nation they would like to share.

The stories can range from cooking wild foods to hunting and fishing trips, or blueberry picking and moose hunting camps, or travelling on the waters, or how we lived a long time ago.

The stories should not be harmful to anyone as we will use all stories that we receive and then which will be stored in our binders for all people to see and read, to preserve the stories.

Please contact Jo-Anne Petiquan- Moore for more information. (807)529-3174.
